DPW project budget soars to \$16.3M

Scott MacKeen
Staff Reporter

The cost of building the new Department of Public Works (DPW) yard in Norwood has now increased to over \$16 million, however the project manager said that amount might still go down during the bidding process.

At last Wednesday night's Permanent Building Construction Committee (PBCC) meeting, representatives with Medfield-based Compass Project Management, the consultant overseeing the DPW project, presented the committee with final design documents and updated cost estimates for the project.

Back in March at the halfway design point, Compass had presented two funding scenarios for the project: a \$15.4 million budget including all new construction proposed for Lyman Place and Winter and Lenox streets, and a smaller \$14 million plan that featured

Hundreds of Norwood residents young and old came together at the Highland Cemetery to join in the town's Memorial Day observance on Monday in honor of those who gave the ultimate sacrifice. The activities began with an early-morning service at St. Catherine of Siena Church, followed by the parade procession through town, which included veterans, town officials, scouts, Colonial music and more. Later, the corner of Allen Road and Lenox Street was officially dedicated in honor of Lt. Morris Galliani, a Norwood native who

Electronic Files

Preferred Format: **Adobe Acrobat PDF** (created with default PRESS settings)
ALL FONTS AND IMAGES NEED TO BE EMBEDDED IN THE FILE.

When creating your advertisement, please keep in mind:

- Please allow for a 20–30% dot gain on press.
- All images should have a resolution of at least 200 dpi and be saved as TIFFs or EPS files. Do NOT compress images in Photoshop.
- If possible, convert all type to outlines before creating PDF.
- EMBED all fonts and subset embedded fonts below 100%.
- For BLACK-AND-WHITE ADS: set images to grayscale and use BLACK ink ONLY – NO 2-, 3-, or 4-color blacks.
- For COLOR ADS: All colors (both in the images and the ad) should be set to **CMYK** – If using PMS colors, please convert from SPOT to PROCESS color before creating PDF. Total ink density should not be more than 260. Avoid using more than 2 colors in small or serif type styles.
- Files should be sent at final production size.

If ANY of the above terms are unfamiliar, please allow US to create the ad for you (at no extra charge) or to convert your design to PDF format. We can accept files created in MOST applications, including Pagemaker, QuarkXpress, InDesign, Illustrator, and Photoshop. Publisher 2000 and Word documents may also be submitted.

NOTE: We are a PC-based shop – If submitting Macintosh files, please name using file extensions and be aware that fonts may need to be substituted.

*** WHEN SUBMITTING IMAGES FOR US TO USE IN CREATING YOUR AD, PLEASE SUPPLY IN TIFF OR JPEG FORMATS.**

For best reproduction, submit photos as LARGE as possible – we can REDUCE your photo to fit the size of the ad, but we cannot ENLARGE it without creating distortions. Also, keep in mind that images created for optimal WEB viewing reproduce VERY POORLY in print.

Materials submitted that do not conform to specifications may not be reproduced with quality results.

Digital Files should be emailed to: **bulletingraphics@aol.com.**

Files can also be submitted on CDs or DVDs.
