On Tuesday, May 15, the Horizon Wings Raptor Rehabilitation and Education Center brought birds of prey to the Charlwell House in Norwood (above) for residents to view. Shown here is Silo the Barn owl.

This piece (near left), shown in the Sculpture Art Show on May 19, is the creation of Saloone Adhikari. The show, held at the Grace Episcopal Church, showcased the works of local middle and high school students.

This sculpture (far left), made by Jennie Marincucci, was one of several works by students on display at the Sculpture Art Show, held at the Grace Episcopal Church on Saturday. The event featured works by local middle and high school students.

Schools' budget approved

Vinaya Saksena
Staff Reporter

Town Meeting members passed a \$35.5 million school budget last week after extensive debate over whether or not to provide additional funding requested by Norwood Public Schools, and how.

Two motions that would have provided an additional \$183,000 for the school district's budget failed after town officials expressed concern about their financial effect on the town. The school budget was the primary subject of debate at last Thursday's Annual Town Meeting, which lasted nearly three hours.

The motions in question were made in response to a re-

quest voiced by Assistant Superintendent of Schools Alexander Wyeth for the aforementioned amount of funds, which he said could be used to fill several positions that had either been eliminated or gone unfilled, including the hiring of a middle school guidance counselor, an elementary school math teacher, and increased funding for professional development, textbooks and instructional supplies.

Town Meeting member Pete Downing made a motion to provide this funding via taxation, saying he did not want students to have to continue using outdated textbooks. After a prolonged debate, the motion failed by a majority vote after some town officials said it would have

an adverse effect on the municipal side of the budget.

Finance Commission Chairwoman Judith Langone, for example, said providing the extra funds via taxation would mean cutting the amount from the town side of the budget, which Town Manager John Carroll said the town would have difficulty compensating for. Selectman William Plasko expressed agreement with this argument, though he noted that he sympathized with the schools' needs as well.

"But please don't proceed with the current motion," Plasko said. "It will hurt those other town departments."

New fee for bulk trash pickup

Vinaya Saksena
Staff Reporter

The Board of Selectmen approved the institution of a fee for pickup of large trash items Monday night, after a request to do so from the department in charge of trash disposal. Department of Public Works (DPW) Superintendent Mark Ryan told the selectmen some people in town appeared to be taking advantage of his department's generosity. He said the DPW had been offering residents the ability to dispose of a small number of large items free of charge, despite the fact that it cost the

DPW \$25 a pop. Ryan said residents could dispose of three large items - such as mattresses and box springs, a typewriter, ironing board, recliner, headboard or a rug with a maximum length of six feet rolled up - each week, free of charge. He said Waste Management charged the DPW \$25 for each item disposed of, resulting in costs totaling approximately \$135,000 in the past year and \$145,000 projected for 2012. With costs rising, and significant amounts of large items being

Dozens of kids from Norwood came out May 12 to reel in some fun at the annual Norwood Sportsmen's Fishing Derby.

Fishing Derby a hit!

About 80 youngsters turned out for the annual Norwood Sportsmen's Fishing Derby on Saturday, May 12.

All participants enjoyed a spectacular, bright sunny day with great fishing for bass, sunfish and trout. Youngsters

had their fill of doughnuts, hot dogs, soda and ice cream, and all took home prizes such as fishing rods, tackle boxes, nets and many gift certificates from local businesses.

Many of the kids said they couldn't wait for the derby next year. The Norwood

Sportsmen's Club has been putting on their fishing derby for over 75 years at Guild Pond, behind their clubhouse on Nichols St. Local youngsters are encouraged to enjoy the sport of fishing at Guild Pond any time they want.

Citizen nominations due June 1

Vinaya Saksena
Staff Reporter

If you know someone whom you feel deserves to be recognized as Citizen of the Year, you have a little over a week to make it known.

The Norwood Rotary Club is seeking candidates for its 13th annual Norwood Citizen of the Year Award, according to an announcement released by the Club on Monday. Nominations

for the award must be received by the Rotary Club by Friday, June 1.

The Citizen of the Year Award is given to a person who lives or works in Norwood and "has made a special contribution to our community," according to the Club's announcement. The award is given to someone the Rotary Club feels has exemplified their motto.

"We would like to have any nominations that people want to put forward," said Norwood Rotary Club Vice President Alan Bouffard. "The motto of Rotary is 'Service Above Self.' That's the kind of person we're looking for."

This year's Citizen of the Year will be honored at the Rotary Club's 86th Annual Banquet and Installation of Officers, which will take place on Wednesday, June 20. Nomination forms are available at the Morrill Memorial Library.

According to the Norwood Rotary Club's announcement, previous recipients of the Citizen of the Year Award include: Rosemary Riley, Paula Peleggi, Bernice Wenstrom, Anne Benson, Jane Gibling, Maria Henry, Paul Nicholson, Bob Tibbetts and Ted Callahan, Ruth Taeger, Pat Gavin, and Robert Smith.

The Norwood Rotary Club is an affiliate of Rotary International, which the local club's announcement describes as "a service organization of business and professional men and women, united to foster fellowship and build goodwill and peace throughout the world."

Town Meeting members voted "yes" on nearly all matters considered during the second half of this year's Annual Town Meeting on Monday, authorizing routine expenditures and a few non-routine ones for the coming fiscal year.

All articles presented at the meeting ultimately passed, despite concerns, confusion or complaints about some of the proposals. Some portions of the budget and other items, however, passed in slightly revised form, with town officials noting in some cases that money

had been moved to different places than originally planned in order to address current budgetary needs.

One significant reason for some of these changes was a \$173,000 shortfall in the Fire Department's budget, which Town Manager John Carroll attributed to salary increases for Fiscal Years 2010 and 2011, which he said needed to be reflected in salary figures for Fiscal Year 2013. The increases included \$153,342 for personal services, \$4,215 in night differential, \$194 for arson investigation, \$5,680 in holiday pay and \$9,486 for EMT pay, according to a memo prepared by

Carroll.

To make up for the shortfall, Carroll suggested deferring several planned expenditures from other departments, the largest of which was the \$60,000 the Recreation Department had requested for the purchase of new exercise equipment. Also deferred under Carroll's proposal were \$35,000 for new aerial photos of the town, \$40,000 for the purchase of a new brush chipper for the Department of Public Works (DPW), \$30,000 for cemetery chapel renovations and \$8,000 in Worker's Com-

Memorial Day observances

Vinaya Saksena
Staff Reporter

Norwood High School alum and Army medic Keith Benson will be remembered along with other fallen Norwood soldiers in two ceremonies this weekend.

A Memorial Corner will be opened on Monday, May 28 in the neighborhood where Benson grew up, during the town's Memorial Day celebration. Three days earlier, Norwood High School will hold a ceremony in memory of Benson and other NHS alumni who have died serving their country.

The ceremony at NHS will take place in the school's auditorium on Friday at 7:45 a.m., and will kick off with a student's reading of the Gettysburg Address. The event will also feature speeches by Veterans Agent Ted Mulvehill and NHS alum Dan Henry, who served two tours of duty in Iraq.

"This is a long-standing tradition at Norwood High

School," said Principal George Usevich. "I graduated in 1955, and it was going on then, and well before I was there. And we want to keep having this tradition to honor our veterans."

Norwood's Memorial Day activities, meanwhile, will feature one event unlike anything that has occurred in recent years: the dedication of a Memorial Corner at the corner of Gay Street and Joy Street, where U.S. Army Spc. Keith "Doc" Benson grew up. Benson, an NHS graduate, died earlier this year while serving in Paktika Province, Afghanistan.

Mulvehill said much of Benson's family planned to be on hand for the event. He said he had participated in ceremonies commemorating the creation of Memorial Corners for Norwood veterans on previous occasions, but that for him, this one would be a very different experience from most of those.

"The only difference is, this wasn't a World War II veteran," Mulvehill said. "This is a guy

who gave his life for his country three months ago. The majority of the ones I do are for guys who passed away many years ago. That makes it even more poignant and special."

The town's Memorial Day activities will begin with a Memorial Mass at St. Catherine's of Sienna Church, located at 547 Washington St., with the town's parade to step off at 10:00 a.m. from the intersection of Washington Street and Howard Street and ceremonies to be held in the Highland Cemetery at 11:00 a.m. The dedication of Benson's Memorial Corner will take place at 1:00 p.m. at the corner of Gay Street and Joy Street.

OPINION

More than a party weekend

The brave die never, though they sleep in dust: Their courage nerves a thousand living men.

- Minot J. Savage

Memorial Day was originally established to honor all Americans who have died while serving in the United States Armed Forces. Typically, some people visit cemeteries and memorials, particularly to honor those who have died in military service, and volunteers place an American flag on each grave in local and national cemeteries.

However, the actual number of people recognizing and appreciating the significance of Memorial Day is quickly dwindling. A survey commissioned by the National World War II Museum in New Orleans in 2011 found that 80% of respondents were found to have "little" or only "some" knowledge of the military holiday while just 20% of respondents claim to be "very familiar" with the day and its purpose.

According to Gordon

Mueller, CEO of the National WWII Museum, "With Americans fighting in Afghanistan, a time to honor those who give their lives for their country has never been more urgent. As a nation we're in danger of forgetting the day's meaning altogether."

How scary is that? Has Memorial Day been reduced to simply designating the unofficial beginning of summer? It appears so, at least according to the study. Some of it must have to do with reluctance in schools to spend significant time teaching not just the facts of our country's battles, but of the sacrifices and symbolism of them for fear of being called out by the lunatic fringe. Casualties are being reduced to simple statistics and children, "studying for the test", are no more emotionally charged by learning of the numbers of dead in each conflict than they are by memorizing the dates of them.

Questioning and seeking answers for the motivations of war is certainly reasonable, for it's true that by refusing to learn

from history one is doomed to repeat it. However, what should never be questioned were the motivations of those who bore arms when asked, and never forgotten the ultimate sacrifice paid by the dead in holding the line, and that's what Memorial Day is supposed to be about.

The Town of Norwood does a wonderful job in recognizing our fallen heroes, this newspaper just wishes more people would take part in the events and tributes. On Page 3 of this week's issue, we outline all of the events taking place. There is a parade, dedications and readings, a little something for everyone. You can attend just one, or all of them, but just by showing up you are making a statement to others, and to yourself, that you haven't forgotten our fallen heroes.

And if you do choose to attend, please go out of your way to thank a veteran. And don't be concerned about recognizing them. Some may be in uniform, others not, but all will have expressions of pain, sorrow and pride as they remember the friendships forged with their brothers in arms who fell while answering the call. They all stand out in a crowd...

Who kept the faith and fought the fight; The glory theirs, the duty ours.

Train accident victim was Norwood resident

Vinaya Saksena
Staff Reporter

The individual killed in an accident involving a train last week was a 27-year-old Norwood man who worked at a nearby store.

Norwood Police Department Spokesman Kevin Grasso confirmed Monday that the victim was 27-year-old Ricardo J. "Ricky" Silva-Rondinelli. An obituary said

Silva-Rondinelli had died "suddenly by accident on May 15," the date of last week's accident.

Grasso previously said the matter was being investigated by the Transit Police, who had responded to the scene along with State Police assigned from the Norfolk County District Attorney's office. He added that detectives from the Norwood Bureau of Criminal Investigation

were assisting the Transit Police with their investigation, and that he could not confirm further details.

Attempts to reach a Transit Police representative for further information had been unsuccessful as of press time.

Fire Department spokesman George Morrice, one of two firefighters who reported to the scene, said he and Captain Kevin

Romines were called to the scene at approximately 12:32 a.m. on May 15. He said the victim was found in the area of the train tracks near the end of Tremont Street, and was deceased upon their arrival.

According to his obituary, Silva-Rondinelli was an employee of the Building #19 3/4 on Route 1 in

pensation payroll benefits.

The final article approved Monday night authorized funding for several capital outlay projects: \$140,000 for new DPW equipment; \$1.2 million for design work on the proposed expansion of DPW headquarters; \$33,000 in matching funds for construction work at Norwood Memorial Airport; and \$130,000 for the buy-out of modular classrooms for the Coakley Middle School. Capital Outlay Committee Chairman Tom Maloney gave a brief presentation explaining the projects and the town's reasons for pursuing them before the vote, in which the overwhelming majority of voters approved the funding requests.

Maloney said the projects

NPS budget continued from page 1

Tony Mastandrea took offense to the motion, saying it appeared that "someone wants to pick our pockets" via a last-minute attempt to move funding from the town to the schools. Town Moderator David Hern Jr. noted that the motion had not been made by the Norwood Public Schools.

After Downing's motion failed, Town Meeting member Dennis Golden made a motion

were expected to be sound investments, noting, for example, that Norwood Public Schools had been leasing the modular classrooms in question until now. Superintendent of Schools James Hayden said the classrooms were believed to have plenty of life left in them, and that buying them outright would be beneficial for the town.

The airport taxiway construction project, meanwhile, was expected to be paid for largely with federal and state funding, with the town's \$33,000 share being only a small portion of the total cost. Airport Manager Russ Maguire recently said the winning bid for the project had come in at \$1,247,125.64, the majority of

which will be paid with state and federal grant money.

Maloney said the Capital Outlay Committee recommended that the \$1.2 million for the design of the DPW's expanded headquarters be paid for with the proceeds from the sale of a property the town had owned on University Avenue. (The Finance Commission had recommended that the modular classrooms and DPW equipment purchases be funded by free cash, with no borrowing involved.) Maloney told Town Meeting members to keep in mind that going forward with plans to expand DPW headquarters would mean incurring more than \$12 million in construction costs, most likely in Fiscal Year 2014.

to take the money requested by the school district from the town's stabilization fund. However, this was met with resistance as well, and ultimately failed. Town Clerk and Accountant Robert Thornton said he did not recommend the motion, expressing concerns about how it might affect the town's bond rating.

Although the aforementioned requests were not approved, and the budget allocated to the schools was below the \$37.2 million the school district had initially requested, there was good news for local public schools. Langone noted that the schools, along with the rest of the town, would be receiving a larger amount of state aid than expected.

Langone said a last-minute change resulted in the town receiving \$400,000 more from the state than expected, and that 55 percent of that would go to the schools. The end result for the schools was a budget of \$35.5 million, rather than the \$35.27 million previously expected.

School Committee Chair-

man Paul Samargedlis said things had turned out better than expected for the school district, which would now be on financially sound footing. However, Wyeth and Superintendent of Schools James Hayden noted that there was still room for improvement if the town wanted to continue providing students with a strong education with up-to-date learning tools.

Hayden noted, for example, that he had been performing the duties of information technology director, a position that has been vacant for some time and that he and Wyeth felt should be filled in order for Norwood Public Schools to run effectively. Wyeth also addressed complaints that the district had not made sufficient efforts to make cuts at the administrative level this year.

"I challenge you to find an administrative position we can do without," Wyeth said.

"There are no do-overs in a child's education," Hayden cautioned during his presentation. "Education is a human capital-intensive business."

thrown away, Ryan said he was concerned that some people - including people from out of town or even out of state - were taking advantage of the service inappropriately. He said he was aware of incidents in which people placed large items on someone else's property, with Waste Management in turn picking the items up and disposing of them. Ryan said he was also concerned about the large amount of material being thrown in the trash rather than recycled. "Ninety percent of mattresses can be recycled," Ryan said. "Let's not throw it in the landfills. It doesn't belong there." To alleviate the cost of providing the service, Ryan suggested that the town could charge residents the \$25 per item that Waste Management was charging the town. He also suggested that residents could be allowed to bring a maximum of three large items per week to the town landfill, rather than having it picked up at their home. He said changing the town's approach in one

of these ways would likely bring the annual cost of large item disposal down to the range of \$18,000 to \$20,000 per year, compared to the six-figure amounts the town has been paying. Most of the selectmen said they approved of Ryan's idea. However, Helen Abdallah Donohue objected to it, arguing that some residents did not have a means of getting to the dump to drop off unwanted items and that some landlords get saddled with large pieces of junk left on their property by others. "I know it's important to try and save [money]," Donohue said. "But I think we should look for ways other than to impose trash fees on Norwood residents." Selectman Allan Howard, however, said he was not particularly concerned about landlords or other residents having to contend with other people's junk being left on their property. He said such problems had been addressed well by the Police Department in the past. "All we need is a license plate num-

ber, anonymously, and our good old boys in blue will take care of it," Howard said. The only other selectman to express reservations about Ryan's proposal was William Plasko, who said he liked it overall but shared some of Donohue's concerns. In the end, the selectmen voted 4-1 in favor of creating the new fee system Ryan proposed, with the fees to take effect in July. Donohue was the only dissenting vote. Ryan also brought up the issue of textile recycling (clothes, blankets, towels, etc), saying that the public needed to be educated about this idea. And while no action was taken on the matter, Board Chairman Michael Lyons expressed agreement with this idea, noting that with resources dwindling, China had taken to purchasing recycled textiles for its large manufacturing industry. "Textiles do not belong in solid waste," Ryan said. "If you don't want them, they [recyclers] will take the good, the bad and the ugly."

Head Coach Anthony Roman fires up his team before Monday's game against Walpole. The Mustangs would fall by a single goal.

Boys Lacrosse falls to Walpole on Senior Day

Kevin Stone
Staff Reporter

It would be an understatement to say a losing streak the final week or so of the season, after having one of the best records in the state, isn't a good way to head towards the postseason.

It would be an even bigger understatement to suggest that the Norwood boys lacrosse program was looking like a real contender just about two weeks ago, or at least had a shot at making a deep run in this year's tournament. However, after dropping games to Needham and Walpole recently to drop their record to 13-5, one had to wonder if this team will be able to turn the proverbial switch back on once the seedings are announced late this week.

The Needham loss was to be expected as they are one of the best teams in The state as of late, and that, combined with a combination of what is now a sputtering Mustang offense, Norwood's loss to Needham by a 13-2 final wasn't a big surprise, but the two goals is an alarming red flag moving forward. With the loss Norwood's Overall Record moved to 13-4.

Emmett McNamara and Pat Clifford each had a goal in the loss while Nick

Nardelli continued to be Norwood's best defensive weapon with 12 saves.

To Norwood's credit it was just 4-2 Needham at the half; however, going in to the

fourth quarter and after the half, Needham opened the flood gates and led 10-2 go-

Girls Lax finishes season with nine wins

Kevin Stone
Staff Reporter

Entering this season, first year head coach Caitlin Harrington knew her team was extremely talented, but consistency was going to be an issue, as it is for most high school programs with other things going on in their lives besides lacrosse.

With the season ending this week against Oliver Ames and tournament seedings coming out before the weekend, the nine wins at the time of this article should be enough for a tournament spot; however, it is not fully guaranteed. Having gone 1-1 in games against Needham and Canton, one would think that it is enough to garner a fairly respectable seed once they are announced.

Offensively this season it has been very clear that Norwood, when going right, should be able to run and play

with any team that they take the field with. However, as stated early, consistency has been the problem all year.

Norwood lost to Needham 18-6, a score that most would look at and cringe, however, like it's boys program, Needham has been building and became very strong in recent years.

Kacie Smith, Kelsey Colbert and Brittany Sullivan all had a goal in the loss while Allison Ryan led the way with two goals. Leah Murphy has been one of the most consistent players for the lady Mustangs all season and posted a very nice 15 saves despite Needham's ability to find the back of the net 18 times.

In the win that most likely clinched a berth for Norwood, they beat Canton in a very fast paced, impres-

Boys Tennis struggles in final week

Kevin Stone
Staff Reporter

The Norwood boys tennis team has made significant progress this year in revamping and giving it's program a respectable name with some big wins.

Unfortunately, this past week as the season winds down Norwood faced two of the better teams in the state and lost both matches they played. Here's an in depth look at the two tough defeats:

Norwood 0
Frammingham 5 (5/16)

1s: Owen Smith(12) 0-6,0-6 John Piaz(12) (L)
2s: Liam Kelly(11) 2-6,6-4,1-6 Phillip Clarke(12) (L)

3s: Nathan Jones(9) 2-6,3-6 Chris Gill(11) (L)
1d:Walter Aspinwall(11)/Michael Breen(11) 3-6,3-6

Jake Lavine(11)/Mark Hornstein(11) (L)
2d: Ben Richwine(12)/Corey Haigh(11) 0-6,0-6

Navid Jafari(12)/Jeff Davidson(12) (L)

"This was another tough

match," said head coach John Churchill. "However, we did have some good moments. Nathan Jones won several games in his match and played well. Walter and Michael won the first 3 games of their match before losing the first set. They also battled to 3-4 in the second set before succumbing."

Churchill was quick to point out the biggest positive that came out of the day.

"The biggest accomplishment for us was that Liam took a set at second singles. It may be a drastic understatement to say that it has been years since Norwood has taken a set from a Frammingham player. Liam's opponent was a hard-hitter. Liam did his best to hang in the match. Unfortunately, he broke a string early in the third set, forcing him to borrow a racket from a teammate. That helped secure momentum for his oppo-

ing into the 4th.

“We played well in the first half, winning ground balls and communicating defensively. Needham came out like their hair was on fire in the third quarter. They won every face-off in the third and their overall talent took over,” explained head coach Anthony Roman.

The most deflating and alarming loss came this past Monday when Norwood lost to Walpole 9-8, moving their regular season record to 13-5.

Clifford led the way with a hat trick while Andy Alty had two goals and two assists. McNamara chipped in

three assists of his own and Nardelli posted an impressive 17 saves.

The Mustangs led 3-2 at the half, with Walpole managing to make the game 6-6 going into the 4th.

Leading by a goal with just a minute to play, Walpole found a way to tie the game and eventually broke Norwood’s back with the winning goal, as just five seconds remained on the clock.

“It was a great back and forth lacrosse game all day, and they just made the plays at the end to win,” said Roman.

After going on a run where they did not lose a

game since April 9, Norwood closed out its season with four straight losses, clearly not the ideal way you like to see a team head to the postseason.

However, if you have watched this team at all this season, you clearly know that the talent on offense and ability on defense is there. The key now is consistency.

The only problem with that is that now there is very little time to adjust and try to get “back on track,” as any mistakes and missteps could lead to an early exit for this Mustang team that was hoping to make some noise in this year’s big dance.

Volleyball earn sixth seed, will face Needham

Kevin Stone
Staff Reporter

Last week, we told you that the Norwood boys volleyball team had made a little bit of history by getting to the state tournament for the first time since 2007. This past Tuesday, they found out just how their road will shape up.

Earning the number six seed with a 12-5 overall record, the Mustangs drew Bay State rival Needham who earned the three seed by going 16-4. The good news for Norwood is that they played Needham twice this season during the Bay State Conference schedule. However, the bad news is also that they played Needham twice, and lost both times (3-0, 3-1). Both teams will clearly know exactly what to expect from each other.

The match will take place

on May 29. The teams will have to wait for one first round game before they can begin their postseason.

There are just nine teams in the Division 1 South bracket, with every team getting a bye into the next round except for

Greater New Bedford and BC High, who will play on May 26 to determine who will play the number one overall seed North Quincy. The winner of the Norwood match will face ei-

ment, but it would have been an unlikely victory regardless,” he explained.

Despite the loss it’s been clear all season that little victories will eventually add up to big ones for the program and this was no different.

“In recent years we have only won a handful of games each time we have faced Frammingham, so I was pleased with our ability to compete this time,” said Churchill.

Norwood 1 Foxborough 4 (5/18)

1s: Owen Smith(12) 0-6,1-6 Wes Young(9) (L)

2s: Nathan Jones(9) 6-1,6-3 Peter Gallagher(12) (W)

3s: Jason Najm(11) 0-6,2-6 Luke Schaaf (11) (L)

1d:Walter Aspinwall(11)/Michael Breen(11) 3-6, 6-7(4-7) Tyler Aubuchon(11)/Aidan Hyland(11) (L)

2d: Ben Richwine(12)/Corey Haigh(11) 6-4,3-6,3-6 Brian Bortollotti(9)/Jack Marino(9) (L)

“We knew we could compete with this team. Only, this time, we had to compete without Liam Kelly, our normal second singles player,” Churchill noted. “This was clearly a big test for just a freshman, but it was handled well.”

Nathan Jones moved up at 2nd singles, being the second ranked available singles player on the team. This move was a bit daunting for the freshman, but he accepted the challenge.

“He played his most consistent match yet, and won in straight sets. This was a great

win for Nathan that could really boost his confidence. He is continuing to show a lot of growth in his decision making on the court, and he is hitting bigger shots. The fact that Nathan is closing in on Liam in terms of ability is helping provide depth to our team. He simply played his best match of the year,” said the proud head coach.

“Foxboro’s first doubles team plays as a very good unit and covers the court very well. Considering that, I was happy about what I was seeing from Walter and Michael. Every game was close, and there was a long list of great rallies on both sides. It was an exciting match, even though they fell just short of taking the match into a third set. Walter and Michael have taken our first doubles team to a higher level than in previous years, and they continue to improve. This year has been a great experience for them, and experience is the only thing they have lacked. They nearly matched the level of their competition today. If the match went the distance, they had a shot.”

With very little time left in what has been an up and down, yet very productive season for this program, Churchill was fairly optimistic heading into this final week of matches against good opponents.

“With four remaining matches in the season, I can say we have a shot at two of them: Walpole and Stoughton. Getting ready for those matches is our focus the rest of the way out,” he said.

sive 14-13 fashion.

With Sullivan garnering a hat trick, Allison Ryan led the way with a four goal one assist performance. Smith and Sammy Hayes each had

a goal and two assists. Colbert also notched four goals of her own and chipped in two assists as well. Courtney Fernandes, who has been one of Norwood’s most impressive players, added a goal and an assist as well. Alayna Fogg also got on the score sheet with a goal.

The up and down story that has been the Norwood girls lacrosse team in 2012 will now await its fate when seedings are announced on the 25th, and they hope that the positives that have outweighed the negatives this year are going to result in a playoff run that would be surprising to some, but not to those who have seen the talent this team possessed throughout its 18-game season.

Baseball readies for final week of regular season

Kevin Stone
Staff Reporter

It's not definite yet, but the Norwood boys baseball program may be on its way to doing something special this season.

With the season wrapping up this week, they are on their way to the tournament thanks to some big performances individually and as a team, both on the hill and at the plate.

It's been a while since we took an in depth look at some of the bigger performances in some recent games this season. Here is how the Mustangs have managed to enter this week with a 12-5 overall record and 10-4 Bay State conference mark, good enough for second place in the Herget division behind a very impressive Walpole team.

Since May 3rd Norwood is 6-1, including it's most recent victory this past Monday over Natick.

On May 3rd Norwood began its impressive run as of late with a 6-1 win over Weymouth.

Sean O'Neil pitched a complete game four hitter. The Mustangs also got key RBI hits from Anthony Perriello, Sam Anderson and Tom Munro.

"We had an overall solid game defensively and at the plate," said head coach Kevin Igoe.

The lone loss in this recent stretch for the Mustangs

came at the hands of Framingham. Norwood ran into an extremely tough pitcher, a rare high schooler who could hit his spots and could throw a mid 80's fastball with a great slider, change and curve according to Igoe.

"We played solid but failed to execute when it mattered...left 10 guys on base," he said.

O'Neil continued to impress at the plate going 3 for 5 and Rourke Flynn had an RBI double in the losing effort.

As they have all season Norwood responded on May 8th getting a 5-1 win over Milton. Brendan Cathcart threw seven strong innings allowing three hits and no runs. Sam Anderson then came on and pitched the final two innings. Anthony Perriello had a monstrous three run homer to highlight the day, clearing the net in left field. Mark Saulnier also chipped in and had two hits including a double.

Before their most recent games against Wellesley (May 16) and King Phillip (May 17), Norwood took on and beat Dedham 6-3. O'Neill showed why he could possibly be one of the best player in the Bay State Conference when he pitched a

complete game with strike outs. He also was two for five with a double, triple and two runs scored. Pete Kelly was two for three and knocked in three runs.

Moving forward Norwood closes out the season this week with games against Walpole and Xaverian, both under the lights, Igoe is happy with his team's performance to date, but says he still expects more from his squad as the tournament approaches.

"We've got a solid record but not where we expected to be at this point," he said. "We are winning the games we should win but need better approaches at the plate against quality pitching. We've lost three one run games (two of which we had leads late in the game) and in order to have success down the road we need to execute when it counts."

Little League commish steps down

After being involved with Norwood Little League for the past 25 years as an assistant coach, coach, manager, Member of the Board of Directors and President, I have made the very difficult decision to step down. There will always be so many happy memories for me in Little League. The colorful parade of teams walking up Washington Street to the Little League Fields during the Opening Day Parade has always been a favorite day each year for me. Announcing the Challenger games and seeing how happy those players are every time they step onto the field is truly what I think Little League is all about. I hope everyone involved in Little League stops by a Challenger Game. You will leave with a smile on your face and new outlook on life. Running the 5 / 6 year old Instructional League has been such a pleasure. Watching those small players take the fields for the first time wearing their brand new hats and baseball shirts with their families and friends cheering them on was another highlight. It has been a great pleasure watching many of those young players rise through the ranks of Norwood baseball and beyond!

I have never been prouder to be the President of Norwood Little League as I was when we hosted the Massachusetts State Finals in 2010. The baseball

community came together to show this State an amazing tournament that will be remembered for many years to come.

I want to thank all those I have coached with and served on the Boards with, as well as the countless volunteers that have helped make Norwood Little League one the finest Little League Program in the state.

There are so many supporters of Little League who I want to thank personally, and I will. I want to send a special thank you to Orin, Sandy, Gerry and Dave at Day Street Sports. They have always been there to handle all our uniform and equipment needs. They have always done whatever it takes to meet deadlines and outfit every player without question. They truly are great supporters of this program.

I am also very proud of all the improvements to the Little League Complex over the years making it a complex the town can be very proud of.

Finally, I wish the current Norwood Little League Board well as this season goes forward. Although change is not always easy, I look forward to being a spectator at all levels of Norwood baseball for years to come.

Sincerely,
(A finally relaxed)
Mike Doliner

ther Newton North, who is the two seed or Brockton who is the seven seed in what would be a final four matchup.

Norwood ended it's season 6-2 in its final eight matches, but Needham was its final match, and final loss of the season, adding a bit more intrigue to this already interest-

ing third rematch of the season.

It's that time of year again folks...tourney time. And the Norwood boys volleyball team is ready for anything, including another battle with the Needham Rockets.

WHO WILL BE THE 2012 NORWOOD CITIZEN OF THE YEAR?

Nomination forms are now available for the 13th Annual NORWOOD CITIZEN OF THE YEAR AWARD, given to honor an individual who resides or works in Norwood who has made a special contribution to our community and who exemplifies Rotary's Club's motto "SERVICE ABOVE SELF". NORWOOD EVENING GARDEN CLUB PRESENTS "CONTAINING YOUR GARDEN"

Back by popular demand, the Norwood Evening Garden Club will host master gardener, local designer and garden writer, Donna Lane, on Tuesday, May 29 at 6:45

p.m. at the Carriage House behind the First Baptist Church, 71 Bond Street, Norwood. Ms. Lane, owner of Lane Interiors & Gardens in Norwood, and a member of the Norwood Evening Garden Club and numerous other horticultural organizations, will present a live demonstration on container gardening. If you attended her former lectures, you will not see the same program! Not only will Ms. Lane show how to assemble containers, she will also show very different combinations of plants including vegetables, annuals, perennials and shrubs. She will discuss color, texture, mass, form and scale, trends in container gardening, the best soil and amendments for containers, and how to maintain your containers for a full season of beauty. All of her creations will be raffled at the end of the evening. The public is invited to attend. A \$5 donation is requested. Refreshments will be served.

ANNUAL PLANT SALE

The annual plant sale at Grace Episcopal Church will be held Saturdays and Sundays (weather permitting) from 9 a.m. to 6 p.m. through Father's Day, June 17. Beautiful hanging plants, planters, annuals and perennials are available. Proceeds go toward the plantings and upkeep of the historic sunken garden on the church grounds. The church is located at 150 Chapel Street.

Prayer to the Blessed Virgin

(Never known to fail!)

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this necessity. Oh Star of the Sea, help me and show me herein you are my mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech thee from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this cause in your hands (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you.
Grateful thanks. —J.R.G.

St. Jude's Novena

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world, now and forever. Sacred Heart of Jesus pray for us. St. Jude, worker of miracles, pray for us. St. Jude, helper of the hopeless, pray for us. Say this prayer 9 times a day. By the 9th day your prayer will be answered. It has never been known to fail. Publication must be promised. Thank you St. Jude. My Prayers were answered.

In gratitude for helping me.

RESUME-WRITING WORKSHOP

If you're looking to find employment or change jobs and want to make your resume stand out, come to a free workshop called Resume Writing Review at the Morrill Memorial Library on Thursday, May 31 at 7 p.m. with Gary Gekow, Senior Employment Specialist.

In this round-table group format, all aspects of resume writing will be discussed, including how to use keyword search techniques. Chronological and functional resume samples will also be analyzed. Gary Gekow has over 20 years of recruiting experience in the Boston staffing industry. He works closely with client companies in many industries and with job seekers in various specialties. He will conduct another workshop entitled Online Job Search and Resume Submittal at the library on June 11.

Please sign up for one or both of these workshops at the library Reference or Information Desk or call 781-769-0200, x110 or 222. These workshops are being generously funded by the Friends of the Library. The library is accessible to those with physical disabilities.

WORKSHOPS FOR WOMEN

Life Skills Facilitator Deb Titus will return to the Morrill Memorial Library on Thursday, June 14 from 6:30 - 8:30 p.m. to kick off a series of three workshops for women, starting with "Stop Worrying!"

Do you often worry about situations or circumstances beyond

your control? If so, this free workshop will help you overcome the tendency to obsess over the past and fret about the future. Deb will teach you valuable tips and strategies to allow you to live happily in the NOW.

Please register for this program, limited to 20 women, at the Reference or Information Desk or call 781-769-0200, x110 or 222. The other two workshops in the series will be "Learn to Love Yourself" on August 9 and "Make Time for You" on October 11. All three workshops are being generously funded by the Friends of the Library. The Norwood Library is accessible to those with physical challenges.

"POPCORN AND PRESIDENTS" FILM SERIES

Ease into the November elections by joining us at the Morrill Memorial Library for our "Popcorn and Presidents" film series this summer, opening with The American President on Monday, June 25 at 7 p.m.

The remaining films in the series, shown on consecutive Mondays at 7 p.m., are Wag the Dog (July 2), Air Force One (July 9), The Contender (July 16), Absolute Power (July 23), My Fellow Americans (July 30) and Dave (August 6). Sign up for each of these films at the library Reference or Information Desk or call 781-769-0200, 110 or 222. The movie license to show these films is funded by the Friends of the Library, and complimentary popcorn is provided by Regal Cinemas in Bellingham. The library is accessible to the physically challenged.

ONLINE JOB SEARCH WORKSHOP

Senior Employment Specialist Gary Gekow will present a second workshop at the Morrill Memorial Library on Monday, June 11 at 7 p.m. called "Online Job Search & Resume Submittal." In this class, numerous online search strategies will be discussed, including job alerts, job boards, job aggregators and company employment pages. He will also tell you how to best

utilize these websites to submit your resume.

Gary Gekow has over 20 years of recruiting experience in the Boston staffing industry, working closely with companies and job seekers in a variety of professions.

Sign up for this free workshop at the library Reference or Information Desk or call 781-769-0200, x110 or 222. The Friends of the Library are providing the funding for this event.

HEALTH AND WELLNESS SEMINARS

New Horizon Health and Wellness Center of Norwood will present a series of three free seminars in June at the Morrill Memorial Library on staying healthy the holistic way. Nurse Practitioner Susan Burns will give the first lecture, "Weight-Loss Solutions for the Whole Family," on Wednesday, June 13 at 7 p.m. By taking a closer look at our lifestyle and behavior, we can avoid many of the health issues that result from carrying excess weight.

On Thursday, June 21 at 7 p.m., Susan Burns and Sports Psychologist Danielle Morley will present "Fitness Medicine: Get Moving!" The importance of including some form of regular exercise in your daily routine is emphasized, including the physical and psychological benefits—and increased longevity—associated with staying active.

"Holistic Medical Treatment" is the final presentation to be held Thursday, June 28 at 7 p.m. Nutritionist Julie Smith and Energy Healing Practitioner Heather Holloway will address holistic health, in which one's psychological, physical and social needs are viewed as a whole. Natural dieting, herbal remedies, exercise, meditation, relaxation, acupuncture, homeopathy, breathing exercises and massage therapy are all part of holistic medicine.

Sign up for any or all of these free lectures at the library Reference or Information Desk or call 781-769-0200, x110 or 222. The library is accessible to the physically challenged.

HYDRANT FLUSHING AND TESTING

The Town of Norwood Department of Public Works will commence flushing and testing of fire hydrants beginning May 21, 2012 between the hours of 7:00 a.m. and 3:00 p.m.

Some discoloration of water may occur while hydrant flushing is in process. In the event that discoloration should occur, wait approximately two hours for disturbed sediments to settle then run **cold** water from the faucet nearest your water meter for five minutes.

As a precaution, residents are urged to check their water for discoloration prior to washing laundry. Should a load of laundry be stained by rusty water, contact the Public Works Department for recommended cleaning instructions.

For specific information on the location and time of hydrant flushing please visit the Department of Public Works at www.norwoodma.gov or contact the DPW at 781-762-1413.
